

International House Melbourne 1957-2016 *Sixty Years of Fraternitas*

by Professor Emeritus Frank P. Larkins AM

International House was founded with two principal aims: to provide practical assistance to overseas students studying at the University of Melbourne and to foster international understanding through personal friendships.

As part of our 60th anniversary celebrations, Professor Emeritus Frank P. Larkins AM has written a comprehensive history of International House Melbourne. This hard cover book contains numerous full-colour and black and white photographs, and tells the story of IH from the time of its conception in the minds of Sam Dimmick, Abinasti Jerath and Rajaratnam Sundarason, to the present.

Published by MUP, this history of International House is available directly from IH for alumni at the discounted price of \$50.00. This price is available for a limited time only.
